

THE MACHINERY PRESERVATION CLUB OF WA INC
INVITES ALL TO

The 2012 annual steaming day at “The Workshops” Midland

(Block 3, Centennial Place)

A great day to meet friends and the slightly eccentric

WHEN? 26th August 2012

all in our newly extended workshop

Breakfast 8-10am \$10 (including tea/coffee all day) children \$5

Portable steam engine running, scale traction engines, steam train and steam boat (under steam but not sailing)

Small and large Stationary engines running

Trash and treasure, stall (*find what you have always needed!*) donations welcome

The main event will be the commissioning and official thanks for the restoration by the Club and generous manufacturers and friends of the 1904 Clayton & Shuttleworth steam tractor after 5 years

*For catering purposes please reply to Box 1471 Midland 6936 or email
